Dear Shareholder

Leaf Clean Energy Company (the “Company” or “Leaf”)

I have great pleasure in extending an invitation to you to the fifth annual general meeting (“AGM”) of the Company to be held at the offices of Maple and Calder, Ugland House, George Town, Grand Cayman, Cayman Islands at 4 p.m. (UK time) on 27 December 2012.

The formal notice of AGM setting out the resolutions to be proposed, together with explanatory notes, and guidance notes for shareholders who wish to attend the meeting or to vote by post is set out on pages 4 to 6 (inclusive) of this document.

You will find with this document:

- the annual report and financial statements of the Company for the financial year ended 30 June 2012; and
- form of proxy.

The purpose of this letter is to explain certain aspects of the business of the AGM to you.

Resolutions to be proposed at the AGM:

The resolutions to be proposed at the forthcoming AGM are as follows:

Resolution 1:

Resolution 1 deals with the receipt of the annual report and financial statements of the Company for the financial year ended 30 June 2012.

Resolution 2:

Under the Articles, the directors are not permitted to allot new shares (or to grant rights over shares) unless authorised to do so by the shareholders of the Company. At the annual general meeting of the Company held on 12 December 2011 (the “2011 AGM”), the directors were given authority to allot relevant securities (as defined in the Articles) up to a maximum nominal amount of £1,326 (which then represented 10% of the issued share capital of the Company). This authority expires at the conclusion of the 2012 AGM.

It is the current intention of the directors to seek fresh shareholder authority to allot relevant securities at each annual general meeting. Accordingly, it is proposed that authority be granted over the same proportion of the Company’s current issued share capital as that granted at the 2011 AGM. Resolution 4 grants to the directors authority to allot up to a maximum nominal amount equal to £1,287 (representing approximately 10 per cent. of the Company’s current issued share capital as at 23 November 2012, being the latest practicable date prior to publication of this document). The directors remain of the view that, due to the current phase of the Company’s investment cycle, if the Company wishes to issue a significant number of new securities, it should seek specific shareholder authority at that time.

Although the directors have no present intention of exercising this authority, the general authority to allot securities will provide flexibility for the Company allowing it to take advantage of business opportunities as they arise. The authority will expire on the earlier of the conclusion of the next annual general meeting and 27 June 2014.

Resolution 3:

Resolution 3 gives the Company authority to repurchase its own shares. Any actual repurchase would have to be subsequently approved by the Board. This authority will be limited to 19,310,000 ordinary shares (representing approximately 15 per cent. of the Company’s current issued share capital as at 23 November 2012, being the last date practicable prior to the publication of this document) and this resolution also sets out the minimum and maximum prices that can be paid exclusive of expenses.

Resolution 3 will be proposed as a special resolution.

Resolution 4:

The Articles further provide that the directors shall not be entitled to allot relevant securities for cash unless such allotment is authorised by special resolution of the Company. The directors believe that it is in the best interests of the shareholders that the directors should have the right to allot relevant securities for cash on a pre-emptive basis and a limited authority to relevant securities for cash on a non-pre-emptive basis.

Resolution 4 proposes that power be granted to allot securities for cash on a pre-emptive basis up to the limit of the authority set out in resolution 4 above and on a non-pre-emptive basis up to a maximum nominal amount equal to £644 (representing approximately 5 per cent. of the nominal issued share capital of the Company as at 23 November 2012 (being the latest practicable date prior to publication of this document)).

The authority will expire on the earlier of the conclusion of the next annual general meeting and 27 June 2014.

Resolution 4 will be proposed as a special resolution.

Action to be taken

If you are unable to attend the meeting in person, you should complete, sign and return the applicable forms of proxy in accordance with the instructions therein in good time before the meeting and in any event by no later than 4.00 p.m. (UK time) on 24 December 2012.

Holders of depositary interests should complete the form of instruction in accordance with the instructions therein and return to the depositary (being Computershare Investor Services PLC (the "Depositary")), by no later than 4.00 p.m. (UK time) on 21 December 2012 prior to the meeting.

Recommendation

Your directors consider all the resolutions to be put to the AGM to be in the best interests of the Company and its shareholders as a whole and accordingly unanimously recommend you vote in favour of them as they intend to do so in respect of their own beneficial shareholdings.

The directors and I look forward to welcoming as many of you as possible at our meeting and we thank you for your support.
