* A form of proxy has been included with this notice of AGM.

NOTES

IF YOU HAVE EXECUTED A STANDING PROXY, YOUR STANDING PROXY WILL BE VOTED AS INDICATED IN NOTE 3 BELOW, UNLESS YOU ATTEND THE AGM IN PERSON OR SEND IN A SPECIFIC PROXY.

- 1 A shareholder entitled to attend and vote at the above AGM is entitled to appoint one or more proxies to attend and vote in his/her stead. A proxy need not be a shareholder of the Company.
- 2 A form of proxy for use at the AGM is enclosed. Whether or not you propose to attend the AGM in person, you are strongly advised to complete and sign the enclosed form of proxy in accordance with the instructions printed on it and then send it to, or deposit it (together with any power of attorney or other authority under which it is signed or a notarially certified copy of that power of authority) at the offices of EPE Administration Ltd., Audrey House, 16-20 Ely place, London, EC1N 6SN or send by e-mail to leaf@epicpea.com, in each case marked for the attention of Image Patel, so as to be received no later than 4.00 p.m. (UK time) on 14 December 2017, in accordance with the Articles. Returning the completed form of proxy will not preclude you from attending the AGM and voting in person if you so wish. If you have appointed a proxy and attend the meeting in person, your proxy appointment will automatically be terminated.
- 3 Any standing proxy previously deposited by a shareholder with the Company will be voted in favour of the resolutions to be proposed at the AGM unless revoked prior to the AGM or the shareholder attends the AGM in person or executes a specific proxy.
- 4 If two or more persons are jointly regarded as holders of a share, the vote of the senior person who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of other joint holders. For this purpose, seniority shall be determined by the order in which the names stand on the Company's register of shareholders in respect of the relevant shares.
- 5 Only those shareholders registered in the register of members of the Company at 4.00 p.m. (UK time) on 14 December 2017 shall be entitled to attend or vote at the AGM in respect of the number of shares registered in their name at the time. Changes to the entries on the register of members after 4.00 p.m. (UK time) on 14 December 2017 or, in the event that the meeting is adjourned, on the register of members at 4.00 p.m. (UK time) on the day falling two days before the date of any adjourned meeting, shall be disregarded in determining the rights of any person to attend or vote at the AGM notwithstanding any provisions in any enactment, the Articles or other instrument to the contrary.
- 6 Copies of the letters of appointment and service contracts (as applicable) of the directors of the Company will be available for inspection at the registered office of the Company from the date of this notice until the end of the AGM.
- 7 Please note that communications regarding the matters set out in this notice of AGM will not be accepted in electronic form.
- 8 Holders of depositary interests should complete the enclosed form of instruction and submit it to the Depository, being Computershare Investor Services PLC of The Pavilions, Bridgwater Road, Bristol BS99 6ZY United Kingdom. If a holder of a depositary interest is a corporation then the form of instruction must be executed by a duly authorised person or under its common seal or in a manner authorised by its constitution. To be valid, forms of instruction must be received by the Depository no later than 4.00 p.m. on 13 December 2017.
- 9 A corporation which is a member can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a member provided that no more than one corporate representative exercises powers over the same share.
- 10 The quorum for the AGM is two or more shareholders present in person or by proxy.
- 11 Holders of Depository Interests in CREST may transmit voting instructions by utilising the CREST voting service in accordance with the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider, should refer to their CREST sponsor or voting service provider, who will be able to take appropriate action on their behalf. In order for instructions made using the CREST voting service to be valid, the appropriate CREST message (a "CREST Voting Instruction") must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual (available via www.euroclear.com/CREST).
- 12 To be effective, the CREST Voting Instruction must be transmitted so as to be received by the Company's agent (3RA50) no later than 4.00 p.m. on the 13 December 2017. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the CREST Voting Instruction by the CREST applications host) from which the Company's agent is able to retrieve the CREST Voting Instruction by enquiry to CREST in the manner prescribed by CREST. Holders of Depository Interests in CREST and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the transmission of CREST Voting Instructions. It is the responsibility of the Depository Interest holder concerned to take (or, if the Depository Interest holder is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that the CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a CREST Voting Instruction is transmitted by means of the CREST voting service by any particular time. In this connection, Depository Interest holders and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
